About me

I am a 26-year-old Architect living in Tel Aviv with my boyfriend Amit and my dog Parker. Architecture studies has enhanced my ability to not only think open mindedly, but to shift from creative brainstorming and broad perspective- to a focused and practical state of execution. I know myself to be diligent, efficient, proactive and to have good communication and human relation skills, which helps me to establish good relationships both with prospective clients and with teammates.

Professional Experience

2022- Present intern at "UR-platform", an Architecture firm led by Arch. Addar secker.

2022: research assistant, tel aviv university

Academic Education

2017-2022 Graduated with honor BA in Architecture, Tel-Aviv University (GPA 90).

2021 made the Dean's honor list.

Final project subject: A conceptual and practical development of a Sub-Urban environment.

IDF service

2014-1016 Psychotechnical Diagnostic: Analysis of personality aspects of IDF candidates while determining their quality data and compatibility to combat positions.

My extra certifications:

- Conducting Personal interviews.

- Examine compatibility of learning disabilities diagnosis for the psychotechnical tests.

The position requires high human relation and communication skills, sharp diagnostic ability, functioning in a stressful and busy work environment, and a stable skillful performance of a role with a significant impact on the future of others.

Early Education

2010-2014: Mosinon High-school, Hod Hasharon (GPA 115).

majors: 5 points Physiology & sports psychology (99).

5 points Math (90).

5 points Chemistry (96).

Extra Experiences

2008-2014: professional Volleyball player. Two times state Champions (2011 & 2014). part of the winning Israeli team in the 2012 Maccabi games in Texas and New-York.

2016-2019: Room Service agent in The Ritz-Carlton Herzeliya. a position of prime level of hospitality, done fully in English, and requires serbing and engaging with high profile guests.

Computer Skills

Adobe CC: photoshop, illustrator, InDesign & Premiere Pro.

Modeling: Rhino, Revit, SketchUp & Grasshopper.

Rendering: V-ray, Enscape, Twinmotion & Lumion.

Languages

Hebrew: Native language.

English: High level of speaking, reading and writing.

Spanish: Basic level speaking.
